Imperial Attends the Mosconi Cup

December 20, 2017 (Las Vegas, NV) – Imperial International, A Division of H. Betti Industries, Inc., recently attended the 24th annual Mosconi Cup in Las Vegas, NV from December 4th to December 7th.

The Mosconi Cup is an annual 9-ball pool tournament between the USA and Europe. Hosted by Matchroom Sport, these two five-man teams play single and doubles matches against each other over the course of four days. Although many matches were close, this year the cup went to team Europe with a sweeping 11-4 victory.

Rasson Billiards MFG. is one of the official sponsors of the Mosconi Cup and supplies the official table, the new Victory II Plus. This upgraded table features aluminum alloy support beams, an easily adjustable leveling system, 40mm depth of pocket shelf and 4 1/4" corner pockets.

"We feel so honored that this historic tournament was played on our brand new Victory II Plus table" says Dew Fan, Export Manager for Rasson Billiards.

Imperial is the exclusive distributor of the Rasson Victory II Plus table for the United States. "It is amazing to see the best pool players in the world compete on this beautiful table," states Zach DiMotta, President of Imperial "and the overall enthusiasm and energy at this year's Mosconi Cup was exciting to experience firsthand."
