Tyler Styer Joins Cuetec Team of Professional Players and Brand Ambassadors.

Hasbrouck Heights, NJ, March 7, 2019 – Cuetec and Imperial are proud to announce that Tyler Styer has joined the Cuetec Team of Professional Players and Brand Ambassadors.

"We're very excited to have Tyler join our team. His game has really progressed over the past year and his performance at the Mosconi Cup not only showcased his talent, but his impeccable character and nerve. He checks all of the boxes for Cuetec. We demand more from our pros than just playing like a champion, our pros need to live like champions and Tyler certainly is doing that. We believe he has an extremely bright and promising future," said Kyle Nolan, Cuetec Brand & Communications Manager.

"Since I started playing at the age of 13, I've always looked to Shane Van Boening as a role model. To be able to follow in his footsteps and join him and my good friend Fedor Gorst on the Cuetec team is really exciting for me. At the Mosconi Cup, I was able to try some of Shane's new gear, and I really liked the hit and feel, so when Cuetec approached me about joining the team, it felt like the right fit," said Tyler Styer when asked about joining Team Cuetec.

Look for Tyler at Super Billiards Expo and around the world as he competes against the world's best.
